

## HDI trimer Vencorex HDT-90B

### ABOUT:

[Tolonate™ HDT 90 B](#) is an aliphatic polyisocyanate trimer (HDI homopolymer) supplied at 90% solids in a butyl acetate. It is used for high solids two-component polyurethane coatings and varnishes as well as aromatic solvent-free 2 K polyurethane coatings. This product is also suggested for exterior protective coatings for automotive OEM, car repair, industrial machinery, and plastic parts.
